Re: Hillside Mine Complex  
ACT/037/015  
San Juan County, Utah

Dear Mr. Tetting:

Pursuant to our phone conversation of last week, I would like to tentatively schedule a meeting at the Hillside Mine for May 23, 1983, to discuss the required reclamation activities. I will contact Tom Nielson of Minerals West and see if this date is acceptable to him.

Hopefully by getting all the involved parties together, we can determine a mutually agreeable plan for the final reclamation of the Hillside Mine.

I will confirm that this date is acceptable with Tom Nielson.

If you have any questions, please feel free to contact me.

Very truly yours,

H. R. Roberts,  
Senior Project Engineer
